## One of the largest pediatric clinical care providers in the country

Our not-for-profit healthcare system includes:

- 532 licensed beds
- 3 hospitals
- 24 neighborhood locations, including:
  - Five Urgent Care Centers
  - Marcus Autism Center
- 43 telemedicine locations around Georgia
- More than 40 pediatric cardiologists at 19 statewide locations
- More than 8,700 employees
- Access to more than 1,700 pediatric physicians representing more than 60 pediatric specialties and programs
- 6,500 volunteers

In 2013, we managed:

- 860,849 patient visits
- 361,927 patients (from all 159 counties in Georgia)<sup>1</sup>
- 25,758 hospital admissions
- 144,254 inpatient days
- 828,882 outpatient visits
- 37,995 surgical procedures (inpatient and outpatient)
- 218,231 Emergency Department visits
- 130,527 Urgent Care Center visits
- 42,306 primary care visits

- 114,000 calls from parents across Georgia to the Children's nurse advice line

In 2013, we continued making strides with Strong4Life, our program to lead the fight against childhood obesity in Georgia.

- Strong4Life served more than 300,000 kids. The program has impacted more than 500,000 kids since inception.
- Strong4Life trained 1,082 healthcare providers. More than 2,500 healthcare providers have been trained in 95 counties since beginning in 2011.
- Strong4Life worked with more than 400 schools, educating school nurses, PE teachers, school cafeteria managers and students.
- The Health4Life Clinic saw more than 1,200 patient visits and helped achieve 87 percent stabilization or reduction of patients' BMI
- Camp Strong4Life hosted more than 100 campers and family members and helped 80 percent of campers decrease body fat and reduce/maintain BMI.
