

# AUGUST 2018 ROUND UP

Congratulations to Kirsten Cottrill, a graduate student in the McCarty lab, for earning a F31 grant by the National Institute of Health becoming a Ruth L. Kirschstein National Research Service Award Predoctoral Fellow. [Learn more.](#)

## TRAINEE

Building on a previous center pilot, Andrés García & Nael McCarty were awarded a CFF grant titled "Bacteriophage-particles to Treat CF Infections." Learn more about the grant [here.](#)

## GRANT

The Emory+Children's and the Scottish Rite pediatric CF clinics are moving to the new Children's Center for Advanced Pediatrics (CAP). Everyone is excited to be co-located and to have dedicated space for research right next to the clinic!

## CLINIC

Balazs Rada, PhD, Arlene Stecenko, MD, and Randy Hunt, MD were awarded a Georgia CTSA pilot, "Neutrophil Extracellular Traps in Cystic Fibrosis-Related Diabetes." Read more [here.](#)

## PILOT

CF-AIR Member Andrés García, PhD was named the new Executive Director of the Parker H. Petit Institute for Bioengineering and Bioscience. Read full article [here.](#)
