

# DECEMBER 2018 ROUND UP

Brian Vickery, MD is the first author of a NEMJ article about a treatment for peanut allergy sufferers, and has been getting a lot of press for his work. Check out the story [here](#).

**ARTICLE**

Congrats to Sophie Darch, PhD, who recently left for the University of Southern Florida for her first faculty appointment. Keep up with her on Twitter at [@Darch Lab](#)

**TRAINEE**

Claudia Morris, MD was recently awarded Emory Pediatric's first K24 NIH grant. This grant is a Midcareer Investigator Award to provide support for protected time to devote to patient-oriented research and to act as research mentor for clinical residents, clinical fellows and/or junior clinical faculty.

**GRANT**

The CF-AIR Holiday Party at Marlow's Tavern was a fun way to kick off the holiday season. Thanks to all who came out for the merrymaking!
