

# 2024 TOUR DE FLOW

Sponsored by the  
Pediatric+Winship  
Flow Cytometry Core

ISAC RECOGNIZED  
Shared Resource Laboratory

SEPTEMBER 4 AND 5  
REFRESHMENTS AT 8:30 AM

HSRB AUDITORIUM AND CAFE  
1760 Haygood Dr NE, Atlanta, GA 30322

Join us for the 3rd annual Tour de Flow, with two days of education as we go "back to the basics" of flow cytometry. Each talk will be focused on providing key principles to help you succeed in your single-cell experiments!

## Wednesday, September 4

- 9 am: Basic principles
- 10 am: Panel design
- 11:15 am: Sample preparation

## Wednesday, September 5

- 9 am: Acquisition and cell sorting
- 9:45 am: Compensation
- 10:45 am: Data analysis
- 11:45 am: Ask the experts roundtable

Afternoon workshops with limited seating will be held for hands-on learning. Please see links below for more details and to indicate your interest:

Panel Design Workshop: <https://forms.gle/uXF3o98XYP6v4SEf8>

Intermediate FlowJo Workshop: <https://forms.gle/dBVzXvywqG9w9WPQ7>

Sample Acquisition Workshop: <https://forms.gle/UnggCLMXQ37xQv6a9>
